4. Field setup/cleanup
  - a. Moorpark coaches need to set up fields, whether they are Home or Away when playing teams from other leagues, and they need to clean up the fields, whether they are Home or Away as well.
  - b. Occasionally, there are days on the schedule that Moorpark does not have the first game or last game. There will be a board member on duty those days to assist with set up/clean up.
  - c. For the games occurring between 2 teams from an outside league, it may at times be necessary for the outside league teams to re-chalk the batters box and touch up baselines. Because of this possibility MGS will do its best to have Chalker's close to the fields for easy access.
